Virginia Wireless E911 Services Board  
Richmond Plaza Building, Suite 135  
110 South Seventh Street  
Richmond, Virginia 23219-3931

Dear Mr. Simonoff

Be advised that during fiscal year 2001 my agency did not receive any wireless 911 calls. This is due to delays by the wireless providers in obtaining working trunks and our LEC's delays in converting us to the national database.

We have been advised that NTelos and the providers that are sharing their network will initiate CAS service this month. We have yet to be contacted back by the NCAS providers with a service initiation date.

Please find enclosed with this letter the fiscal year 2001 true up forms and a check in the amount of \$1,236.00 which was the requested amount for 2001. If you have any questions or need further information please give me a call at the above number.

Respectfully,

Steven W. Reese,  
Director
